SHELTERED RETIREMENT SCHEMES
- BRINGING AFFORDABLE LIVING, BETTER HEALTH
AND AN IMPROVED LIFESTYLE TO OLDER PEOPLE

McCalla House

Nehemiah UCHA manages around 1000 homes serving the multi-cultural African Caribbean, Asian and European communities across the West Midlands.

Our retirement housing offers a relaxed lifestyle, peace of mind and comfortable living. Each of our schemes including McCalla House are not residential homes and with your own private flat and front door key, you can enjoy life the way you want to. Designed with independent people in mind, our low maintenance flats give you the privacy of your own home, with the added advantage of specialist services on your doorstep.

Exclusively for the over 55s

Exclusively for the over 55s, it is understandable why our retirement schemes are such a popular option. You can enjoy the company of like-minded neighbours in the communal lounge and garden and if you wish, take advantage of a great social scene with regular organised activities to suit all interests.

Peace of mind

We understand how important safety and security is to you, and our retirement schemes offer you extra reassurance to make life stress-free. All flats have an emergency call system which is manned day and night, so you can be safe in the knowledge that help is always at hand. You can go away for a few days without worrying, knowing that your home is in a secure building which is only accessible to residents. We employ fully trained Scheme Managers, so that residents have a friendly face who can answer their questions, make sure their scheme is expertly managed, deal with emergencies and organise social activities.

Affordable rents

All our properties offer affordable rents and all accommodation comes unfurnished which allows you to decorate your home to your own specification - after all it is YOUR home, not "a" home! Each flat is equipped with oven, hob and a fridge.

McCalla House facilities:

- **Supported independent living for frail and elderly residents over 55 years of age***
- **41 Self contained, double glazed, centrally heated one & two bedroomed flats**
